Projects

Making-Space / 2D Game

December 2019

Developed a Space-Shooter game using C# and the Monogame-Framework. It's an endless runner type game where one or two players battle against various alien invaders.

Experience

Högalidskyrkan / Youth Leader

Spring Term 2019

Coordinated several group activities during a semester as well as during a one week confirmation-camp that took place in Copenhagen, Denmark.

NTI / Ambassador

Autumn Term 2019

Attained Ambassador status at my school by completing a weekend training about how to be a good ambassador when representing larger companies. My responsibilities include but are not limited to giving school tours on open house events, representing NTI on public events such as *Gymnasiemässan*, etc etc.

Svensk Direkt Reklam / Weekend Job

Juni 2017 - Juni 2018

I worked as an advertisement distributor every weekend. My area consisted of about 200 households.

Telge Bostäder / Summer-Job

Juli 2018 - August 2018

Over a one month period my main duties consisted of cleaning public places such as parks and roads as well as general gardening tasks.

Education

NTI-Gymnasiet / Technology Program (Teknikprogrammet)
August 2018 - Juni 2021, NTI-Södertälje

Right now I'm studying my second year as a technology student with a main focus on game/software development.

Leadership-Management / ledarutbildning
September 2018 - March 2019, Högalids församling

Successfully completed a six month training program that taught me how to lead group activities and the stages that group-dynamics go through.
